

The elders of the Kalispell Church of Christ in Kalispell Montana are looking for a minister to come work with our congregation. Responsibilities include preaching and teaching and being part of our church family. The ideal candidate would be able to minister to our members regardless of age. Our membership consists of both young families and retirees.

Our congregation is in northwest Montana approximately 70 miles from the Canadian border and 40 miles west of Glacier National Park. Our attendance is 125-150 on Sunday and is made up of loving people from across the nation who have a variety of interests and beliefs. We currently have three Elders. We do have a three-bedroom parsonage on the church property which is serviceable but by no means luxury. The compensation package would include a salary of 70K a year depending on experience.

We will be accepting applications until the position is filled. Interested parties should send resume and video lessons to the address below.

Stillwater Church of Christ Elders
241 Stillwater Road
Kalispell, Montana 59901
